COVID-19 GUIDELINES

COVID-19 Guidelines
THE 2024 MTA Annual Meeting of Delegates will be held April 26-27, 2024 at the MassMutual Center in Springfield, with a virtual attendance option available.

Mask-Required Seating Area
Within the Business Session room, a “mask required” section will be specifically designated and clearly labeled. Delegates who prefer to be seated among others who are wearing masks may choose at any time to sit in this section. Only those delegates wearing a face mask will be allowed access to this section.

Aside from the designated mask-required seating area, masking is encouraged but not required. MTA will have a supply of masks available.

Delegate Commitment
As part of the pre-registration process, delegates will be asked to indicate how they will attend the meeting – either in-person or remote. After making this selection, changes are not permitted except in the case of a health situation as outlined below, which will necessitate a switch from in-person to remote.

In-person delegates have a personal responsibility for monitoring their own health and COVID status in consideration of the health of fellow delegates. Delegates must commit to the following when they pre-register if choosing in-person attendance:

- They will take a COVID-19 test within 72 hours prior to the start of Annual Meeting.
- They will not attend in-person if any of the following occur within 72 hours prior to Annual Meeting:
  - Delegate tests positive COVID-19.
  - Delegate has been in close contact with a person with COVID-19.
  - Delegate is experiencing symptoms of COVID-19.
- If any of the prior occur, the delegate has the option of contacting MTA (via email, AnnualMeeting@massteacher.org) to switch to become a remote delegate.

Vaccine
COVID-19 vaccination with all currently recommended boosters is encouraged but not required. Please note, on February 28, 2024, the CDC issued the recommendation that adults aged 65 and older should receive an additional updated 2023-2024 COVID-19 vaccine dose [https://www.cdc.gov/media/releases/2024/s-0228-covid.html].

Social Distancing
Seating in the Business Session room will not accommodate social distancing.

Food
Food will be permitted in the Business Session room, and there will be no lunch break. Alternate indoor spaces for dining will be available within the convention center; for those who prefer outdoor space, a park is located directly across the street from the MassMutual Center.

Air Quality and Sanitation
The MassMutual Center’s air handling units use MERV-11 filters, which will be changed prior to our meeting. The business session will be held in a hall with air exchange rates of 4.6 per hour and ceiling heights of 27 feet.
Sanitizing wipes will be available at microphones.
Hand-sanitizing stations will be placed in public areas.
Delegate Registration

Onsite Delegate Registration at the 2024 Annual Meeting of Delegates is located in Hall A on the first floor of the MassMutual Center. The Business Session will take place next to the registration room, in Hall B. All on-site delegates must proceed through Registration in Hall A only once, and must do so before gaining entry to the Business Session.

Friday, April 26
- Delegate registration 10 a.m. to 6 p.m.
- Business Session doors open 11 a.m.

Saturday, April 27
- Delegate registration 8 a.m. until the conclusion of elections
- Business Session doors open 8 a.m.

Certification and Registration

According to the MTA Standing Rules, RULE 1: Certification and Registration, Section 2. Duties:

The Credentials and Ballot Committee shall be responsible for the supervision of the accreditation of delegates and alternates at meetings of the delegates and for the seating of delegates. The decisions of the Credentials and Ballot Committee shall be final unless overruled by the Meeting(s) of Delegates.

According to the MTA Bylaws, ARTICLE IX, DELEGATE MEETINGS, Section 5. Voting:

A. Only official delegates shall be entitled to vote.
B. Each delegate shall have one vote.
C. Delegates shall vote in the district and region in which they are employed.
D. Delegates for the Statewide Retired Electoral District shall vote in that district.

To proceed through on-site registration, delegates should be prepared to show a government-issued photo ID to the Credentials and Ballot member at Registration in Hall A. The delegate will then be provided with a name badge, a unique delegate voter keycard, and color-coded badge holder (colors correspond to MTA’s Electoral Regions, A through H, plus Retired). The keycard provided must be inserted into the electronic handheld keypad device, to be picked up at the entrance to the Business Session.

Remote delegates are provided with registration credentials online, via email. The unique delegate link and login instructions are to be followed by those delegates participating remotely. Logging-in online will provide those delegates with access to voting, as well as the ability to participate in debate via the online speaking queue.

Identification Credentials

Color-coded badge holders combined with your unique printed name badge are your identification as a delegate. Delegates will not be admitted into the meeting without a badge plus badge holder. Lanyards are available in the registration room and can be attached to your badge holder so that these credentials may be worn around your neck.

Delegates must wear proper badges at all times when in the convention center and in particular for admission to and within the Business Session. Please make sure your badge is visible when entering and assist the sergeants-at-arms who is staffing the doors by clearly showing your badge each time you enter.

Badge holders are color-coded by electoral region. Each badge bears the letter of your region and the number of your electoral district. Only delegates and officials will be permitted on the floor of the Business Session while the Annual Meeting is in session.

**Late Registration Cutoff**

For the 2024 meeting, April 19 was the cutoff date for local presidents to report elected delegates and alternates to MTA. After that date, delegate and alternate names are not accepted, and new delegate credentials cannot be provided.

**Late Delegate Seating**

In-person delegates who arrive to register after the official close of Delegate Registration on Saturday must go to the Sergeant-at-Arms table located at the entrance to Hall B. Such delegates must obtain approval of the seated delegation in order to proceed with registration.

**Non-Delegate Registration And Seating**

Non-delegate seating is available for members who are not delegates, visitors, MTA staff and the press. Non-delegates are required to register, wear badges, and sit in the area reserved for their use in the Business Session room (Hall B).

**Alternate Delegates**

Local presidents were advised of a deadline to report any elected alternates to the MTA no later than April 19. Local presidents may instruct the MTA Credentials and Ballot Committee to seat an elected and reported alternate to replace a delegate who was unable to attend. To make such a change, the alternate must have been reported to MTA by April 19. The local president may communicate this change either in-person at the Registration Service Desk in Hall A during registration hours, or by emailing MTAGovernance@massteacher.org.

**Help and Issues Resolution**

The Credentials and Ballot Committee provides a service desk in Hall A for those delegates and local presidents with questions or problems relating to registration and credentials. This would be the location to go to for help, for example, for delegates who have lost their credentials and need a replacement.

**Replacement of Lost Delegate Registration Materials**

Please remember to keep your badge, badge holder and keycard with you at all times. In particular, remember to take your keycard out of the keypad device, keep it with your badge and holder and remember to bring all materials with you when returning on Saturday morning.

If you lose your delegate materials, they may be replaced once.

Please follow these instructions to replace lost delegate materials:

- The registered delegate must apply in person to the chair (or the chair’s designee) of the Credentials and Ballot Committee at the Registration Service Desk in Hall A.
- The Credentials and Ballot Committee must be able to verify that the member is a duly authorized registered delegate. The registered delegate must present a photo identification.
- The registered delegate must fill in and sign the required form in the presence of the chair (or the chair’s designee) of the Credentials and Ballot Committee.
- Replacements will be made only during official registration hours of the Credentials and Ballot Committee.

Please allow time for new materials to be produced, including production of the replacement electronic keycard, which is necessary for voting. If lost delegate materials are found, they must be turned over to the chair (or the chair’s designee) of the Credentials and Ballot Committee at the Registration Service Desk.

**Budget Books and Bylaws**

A limited number of Budget Books and copies of the MTA Bylaws and Standing Rules will be available at the Bylaws and Rules Table adjacent to the podium. Proposed amendments to the Bylaws must have been submitted in writing to the Bylaws and Rules Committee prior to 5 p.m. on the second Friday in January.

According to the MTA Bylaws, ARTICLE IX, DELEGATE MEETINGS, Section 6. Rules of Order:
The rules contained in the current edition of Robert’s Rules of Order Newly Revised shall govern the proceedings of the Association in all cases to which they are applicable provided they are not inconsistent with these Bylaws or with any special rules of order the Association may adopt.

**Amendments to the Standing Rules**

MTA Standing RULE 8: Amendments to Bylaws and Standing Rules; Section 2:

Amendments to the Standing Rules shall be presented to the Committee on Bylaws and Rules prior to the opening of the Meeting of Delegates.

Amendments to the Standing Rules must be submitted in writing to the Bylaws and Rules Committee. The committee will accept Standing Rules amendments via email to MTAGovernance@massteacher.org and on-site from 11 a.m. to noon on Friday, prior to the opening of the Annual Meeting.

To file an amendment to the Standing Rules, please fill out the Form for Submitting Amendments to the Standing Rules and submit to the Bylaws and Rules Committee. Forms will be available in Hall B at the Bylaws and Rules Committee table or by requesting the form via email.

**Proposed Resolutions**

Proposed Resolutions for action at the Annual Meeting must have been submitted to the Resolutions Committee prior to 5 p.m. on the second Friday in January.

**New Business Items**

New Business Items submitted by 5 p.m. on the Monday prior to the Annual Meeting will be distributed to the delegates at registration and begin to be considered at the Friday session.

New Business Items WITH budgetary implications must be submitted either by the Monday prior to the Annual Meeting or no later than prior to the conclusion of business on Friday at the Annual Meeting so they may be acted upon prior to adoption of the annual budget and the dues for FY 2024-2025, which will occur Saturday morning. A New Business Item WITH budgetary implications is defined as any activity or action that would result in an additional MTA expenditure of more than $1,000.

New Business Items WITH budgetary implications will be considered in the order in which they are received but before other New Business Items WITHOUT budgetary implications.

New Business Items with policy implications must be submitted by 5 p.m. on the Monday prior to the Meeting of Delegates and shall be considered throughout the meeting at times determined by the presiding officer and before Resolutions.

Other New Business Items WITHOUT budgetary implications shall be submitted prior to the end of the first hour of the business session of the second day of the Meeting of Delegates (by approximately 10 a.m. on the Saturday of the Annual Meeting) and shall be considered throughout the meeting at times determined by the presiding officer and before Resolutions. These may be considered during the meeting in the order in which they are received.

The New Business Item form is available on the MTA Annual Meeting webpage, at massteacher.org/annualmeeting, and may be submitted by email to MTAGovernance@massteacher.org or submitted to the podium assistant in the Business Session room.

**Motions**

MTA Standing RULE 6: Section 13:

With the exception of items on the agenda, all substantive motions shall be submitted in writing to the Presiding Officer.

Use the “Motion Form” to submit motions to the Chair. Forms may be obtained from the podium or from the Bylaws Committee table, which is adjacent to the podium. Then, deliver your written motion to the podium assistant.
The motions below are listed in order of precedence. Any motion can be introduced if it is higher on the chart than the pending motion.

SPEAKING FROM THE FLOOR

Obtaining the Floor – How To Be Recognized at the Microphone
Delegates need to enter the speaking queue by adding their name to the speaker list at the microphone stations throughout the business session meeting room or online using the virtual platform. Multicolored sets of cards shall be available at each microphone. Each card shall have the microphone number on it. These cards shall be used by the delegates to gain recognition from the Presiding Officer to speak from the floor.

When debate begins, yellow cards will be recognized in order, up to a maximum of five (5) yellow cards, followed by rotation of red/green/yellow or green/red/yellow, and so on. If at any time there are no yellow cards, the standard green/red or red/green progression will continue until more yellow cards are raised, at which time the yellow/green/red or yellow/red/green order will resume.

Instructions for the use of the cards shall be printed on the reverse side of the colored cards.

The Annual Meeting shall use an online platform for delegates participating remotely that will allow for recognition of delegates wishing to speak, opportunity for questions and debate, and online voting (for both motions and elections). Delegates participating using the remote platform who wish to speak or make a motion shall use the recognition feature of the virtual platform to indicate Yellow for “a question or point of order”, Green for “In favor,” or Red for “Against.” Points of Order pertaining to a violation of the rules shall also be recognized and shall take priority over other matters.

The YELLOW CARD will NOT allow a delegate to speak to the question, nor ask rhetorical questions, nor make any motions relating to the question.

No delegate shall speak using a YELLOW CARD for more than one (1) minute at one time unless permission is granted by majority vote of the meeting(s).

A delegate speaking on a YELLOW CARD may NOT yield the microphone or speaking time to another delegate.

No delegate speaking in debate may move the previous question.

Debate on a motion shall not be closed until there have been at least two (2) speakers for and two (2) speakers against on any motion, with the exception that debate may be closed if there are no speakers for or against the motion at the microphones or in the online platform queue.

Recognition
Upon recognition, all delegates shall identify themselves by stating their name and local association or retired member.

Reconsideration
A motion to reconsider an adopted item must be made by a delegate who voted on the prevailing side when the first vote was taken. If the motion to reconsider fails, the adopted item may not be reconsidered again. Bylaw amendments voted in the affirmative may NOT be reconsidered.

Voting Counts
Voting count will all be done using the LUMI Voting platform. When the Presiding Officer calls for the vote, virtual delegates will use LUMI platform, and in-person delegates will use a voting device provided when they enter the business session.

Speaking Order
Any delegate wishing to speak or make a motion should follow the procedure above to be recognized to speak. No member shall speak in debate more than twice to the same question during the same meeting, or longer than two (2) minutes at one time, unless permission is granted by majority vote of the meeting(s) (MTA Special Standing RULE 6, Section 6).
Speaking From The Floor
A two-thirds vote to close debate stops all further debate on the pending motion. The Parliamentarian, assisted by spotters, is responsible for keeping the order of speakers for the Presiding Officer. The speaking time of the delegates will be noted using an electronic countdown clock displayed onscreen. When time is reached, the Presiding Officer will call “TIME,” the microphone will be shut off, and the next speaker will be called upon to speak.

Seconding Motions
Main motions to adopt committee recommendations, such as those of the Board of Directors, the Bylaws and Rules Committee, the Resolutions Committee, or on the budget do not require a second. However, all motions for amendments originating from the floor and on motion forms must be seconded. Please note, if the Special Rules are adopted by the delegates, all motions made by delegates participating remotely requiring a second are deemed to be seconded.
2024 ELECTIONS

MTA Standing Rule 1, Section 2
The (Credentials and Ballot) Committee shall be responsible for the conduct of the annual elections held at the Annual Meeting of Delegates.

Elections will be held via handheld devices within the Business Session and online for delegates participating remotely. The elections will take place at 11 a.m. on Saturday, after action on the budget. If action on the budget goes beyond 11 a.m., elections will begin immediately afterward.

The Following Elections Will Be Held at the 2024 Annual Meeting of Delegates

MTA President
1 Vacancy Term: July 15, 2024 – July 14, 2026
1 Candidate: MAX PAGE

MTA Vice President
1 Vacancy Term: July 15, 2024 – July 14, 2026
2 Candidates: DEB MCCARTHY and YAHAIRA RODRIGUEZ

Candidate Speeches – Friday, April 26, 2024
Candidates for President and Vice President will be given the opportunity to speak as the last item of business of the Friday Business Session.

Candidate Speeches Online
In addition to the above, all candidates were given the option of providing a recorded speech for posting on the MTA’s Annual Meeting webpage. Delegates may review the recorded speeches of candidates online at massteacher.org/annualmeeting.

Election Schedule – Saturday, April 27, 2024
The elections are scheduled to start at 11 a.m. on Saturday, after action on the proposed budget and will take place within the Business Session (in person and virtual). If action on the budget goes beyond 11 a.m., elections will begin immediately afterward. Each contested race will be conducted in succession at that time, with each race open for a specified time (as announced from the podium) during which voting is open.

Election results will be announced from the podium by the co-chairs of the Credentials and Ballot Committee, as soon as they are available, during the Saturday Business Session.

In the event a runoff election is necessary, this fact and the accompanying schedule will be announced from the podium at the time the election results are presented. Any necessary runoff elections will be held within the Business Session, before the conclusion of the meeting on Saturday afternoon, in the same manner as the main election.

Voting in the Elections
The elections will take place as part of the Business Session, not in a separate voting room. At that point on the agenda, one at a time, each contested race and its candidates will appear on the voting screen. Each race will be open for a specified time period, as announced from the podium. Election voting will work the same way as all other voting taking place within the meeting.

For those delegates participating remotely, when the election appears on your screen, to cast your vote, click on your desired selection, and it will be highlighted. No button to submit is required.
In-person delegates who have completed the registration process onsite will have a unique voting keycard and should be sure that card is inserted into a handheld keypad device available at the entrance to the Business Session. The keycard and keypad device are necessary for all voting, including the elections.

To cast your vote when the election appears on the keypad device, you can either press the number/letter that that corresponds to a candidate name or use the trackball to scroll through the list of candidates and press the trackball to select a candidate name. When a name is selected, confirmation of your vote will appear on the screen confirming you have voted. **There is no button to submit.** If you wish to change or cancel your vote while voting is still open, press the “x” button to cancel your vote and then make your appropriate selection.

In-person delegates must have completed the on-site credentialing process in the Registration Room (Hall A) prior to voting, as the unique delegate keycard is required. The Registration Room will remain open until the conclusion of the elections, but be sure to allow enough time to obtain delegate credentials and the keypad device by the time the elections begin.

**Election Requirements**

According to the MTA Standing Rules, RULE 9: **Nominations and Elections, Section 2. Elections:**

(a) Election shall be held at the Meeting(s) of Delegates on the day when the final Business Session takes place.

(b) Polls for voting shall be open on Election Day for a specified time designated in the call to the Meeting(s) of Delegates at such place or places as the President shall designate.

(c) Retired Members Committee members shall be elected at the Annual Meeting of Delegates by the Statewide Retired District Delegates. The candidates receiving the highest number of votes shall be declared elected.

(d) In the event of a tie vote by two (2) or more candidates in an election, a runoff election will be held between or among the tied candidates to fill the available seats.

(e) The order of candidates’ names on a runoff election ballot for majority and plurality elections will be listed by the same order as the initial ballot.

CAMPAIGN GUIDELINES

Campaign Hours
Friday 8 a.m. – 6 p.m. | Saturday 8 a.m. – 11 a.m.

Election Campaigning at the Annual Meeting of Delegates will take place on Friday and Saturday, prior to the commencement of the election period within the Business Session, at approximately 11 a.m. on Saturday. On-site campaigning may take place in the designated areas of the MassMutual Center.

ALL campaign materials must be removed and campaigning discontinued by SATURDAY at 11 a.m. or when the election begins, whichever comes first.

In the event of a runoff election, campaigning for the runoff will resume on SATURDAY when the runoff is announced, for approximately 30 minutes.

Per MTA Standing Rules, RULE 10, Section 2:

No campaign literature or related materials may be distributed or posted within the seating area of the auditorium, registration areas or polling areas, or where such materials are visible from these areas.

Designated Campaign Areas
Campaign materials including signage, flyers, handouts and other material are permitted in the campaign booths/tables (those reserved by candidates) and in the hallway areas of the MassMutual Center, as indicated in communications provided to the candidates. Campaigning with campaign materials and congregating with signage is allowed in these designated areas. Campaigners may not obstruct the passage in these hallways at any time. Floor plans showing the designated campaign areas have been provided to all candidates and their campaign managers and are available from the Co-Chairs of the Credentials and Ballot Committee. Candidates and their campaigns must obey the directions of the Credentials and Ballot Committee (C&B) and MassMutual Center staff regarding relocation as deemed necessary by public safety or other meeting officials.

Campaigning with signage, flyers, handouts, and other material is subject to restriction by public safety officials and the Credentials and Ballot Committee, and participants must be aware of their surroundings and “common sense” guidance at all times. For example, congregating in any way that may block or impede access to or from escalators must be avoided at all times. Standing in front of the display booths of others for campaign purposes is also prohibited.

“Verbal Campaigning” on an individual basis may take place outside of the designated campaign areas, subject to the other provisions cited here. This and all campaign activity must cease when the polls open or at 11 a.m. on Saturday, whichever comes first.

Prohibited Campaign Areas and Practices
Campaign materials and campaigning of any kind are prohibited outside of the specified hours above and are prohibited at all times in the Annual Meeting Business Session room (Hall B), the Registration Room (Hall A) and near the entrance/exit doorways of those spaces.

While buttons may be worn in the Business Session, distribution of buttons in Hall A and Hall B is prohibited.

Posting of any literature or materials on the walls of the MassMutual Center, any hotels, or casino is strictly prohibited. Stickers of any kind are also prohibited.
CAMPAIGN MATERIAL

Relevant Excerpts from MTA Policy 70.01, Campaign and Election General Policy

Campaign material is defined as any document, electronic transmission, object, or other material that has the purpose or effect of promoting the candidacy of an individual for an MTA office, and shall include, by way of illustration and without limitation, billboards, newspaper advertisements, audio-visual materials, emails, brochures, position papers, buttons, pins, articles of clothing, candy, posters, banners, signs, fans, pens, announcements and invitations. The campaign guidelines are an extension of and are consistent with electoral provisions in the MTA Bylaws and Standing Rules.

Campaign Material

Candidates for MTA elective office should recognize the fact that the office which they seek carries with it high professional standards and, therefore, should conduct themselves and their campaigns in such a manner as not to demean the office.

All campaign materials for candidates or issues which are placed or distributed at meetings of delegates should comply with these guidelines and the MTA Standing Rules. It is the responsibility of each candidate/sponsor(s) to urge full cooperation by all campaign workers.

No campaign literature or related materials may be distributed or posted within the seating area of the business session, registration areas or polling areas or where such materials are visible from these areas. [NOTE: Clothing is considered campaign material if it has the purpose of promoting candidacy; as such, campaign-related clothing or items of clothing bearing the name of a candidate may not be worn into the business session, registration room, voting room, or any of the spaces adjacent to these areas. The committee has determined that manually altering an article of clothing in an attempt to achieve compliance is not acceptable.]

At meetings of delegates, the Credentials and Ballot Committee is authorized to remove campaign materials and prohibit practices which are inconsistent with the Committee's guidelines.

Candidates shall be responsible for the removal of all campaign materials at the termination of the Meeting of Delegates.

Campaign material shall in no way be designed to attack the character of an individual or group.

All campaign materials shall be properly identified by source and sponsorship. The Credentials and Ballot Committee defines source and sponsorship as follows: Member/Author; Local Association/Sponsor(s).

The official logo or letterhead used by the MTA may not be utilized in campaign materials.

Responsibilities of Candidates

Noisy demonstrations or use of sound equipment will not be permitted on the floor of the Annual Meeting, registration areas or polling areas.

No items should be given away by lottery, raffle, drawing or similar means in connection with campaigning for elective office or issues at meetings of delegates.

Campaigners handing out materials should not create traffic problems, impede the process of registration, or hinder entry into the main assembly hall. Campaign materials may not be distributed in the business session spaces at any time.

Campaigners may not use press-apply or other sticky-back materials for badges or signs. Campaign literature may not be posted on walls. Campaigners should not block entrances, exits, traffic or fire aisles. In addition, the campaigners may be requested to comply with other restrictions imposed by the management of the meeting facility.

Campaigners should not remove or deface campaign materials belonging to another candidate.

Candidates shall be responsible for compliance with this policy, including responsibility for the conduct of their campaign manager and campaigns and their adherence to this policy.
Candidates and their campaigns shall comply with any request or directive from the Chair of the Committee or the Chair’s designee.

Candidates or sponsors shall assume responsibility for the transportation and storage of their campaign materials and for the removal of all campaign materials at the termination of the Meeting of Delegates.

The wearing of campaign buttons on the floor of the Annual Meeting is permitted. The distribution of campaign buttons on the floor is not permitted.

**Campaign Rules While Polls Are Open**
No campaigning shall be allowed by any candidates or their supporters while elections are in progress.

A section of the current resolution that has a line through it is proposed for elimination; a section that is underlined is a proposed addition.

CURRENT

A-10 Privatization of Public Institutions
The Massachusetts Teachers Association opposes the privatization of the institution of public education or any component therein. The MTA opposes any efforts, including public-private partnerships, that undermine institutions of public higher education by diverting funds and/or weakening their democratic autonomy. The MTA stands strongly against the transformation of educational institutions from a public good to profitable commodities. (75, 77, 80, 17)

PROPOSED AMENDED RESOLUTION

A-10 Privatization of Public Institutions
The Massachusetts Teachers Association opposes the privatization of the institution of public education or any component therein. The MTA recognizes that privatization takes many forms, such as outsourcing Education Support Professionals (ESP) services, auxiliary services and online program management; entering into public-private partnerships for early childhood education, public childcare, early college, and capital construction; filling school/college positions for multiple years with contract employees and temporary agency employees; and heavily relying on management consultants for school/college operations.

The MTA specifically opposes private-sector contracts and partnerships if it determines that such contracts have a negative impact on public education or reduce or eliminate the number of staff providing or could be providing that educational service. The MTA opposes any efforts, including public-private partnerships, that undermine institutions of public education by diverting funds and/or weakening their democratic autonomy. The MTA stands strongly against the transformation of educational institutions from a public good to profitable commodities and believes anti-privatization legislation is needed. (75, 77, 80, 17, 24)

CURRENT

C-6 Healthy and Safe Schools
The Massachusetts Teachers Association believes that staff and students deserve to be in a healthy and safe learning environment. The MTA believes that measures should be taken to guarantee that physical conditions of buildings are maintained so as to conform to the highest possible standards for health and safety, in full compliance with all building codes and safety regulations of the state.

The MTA recommends that contract bargaining language require formation of Health and Safety Committees composed of school personnel, parents and school committee members and that they have regularly scheduled meetings designated to improve the health and safety of the school environment.

The MTA further urges that school committees provide for safe usage, proper storage and transfer and disposal of all toxic and/or hazardous substances used in school buildings and on school grounds.
The MTA strongly supports the enforcement of the Occupational Safety and Health Act (OSHA) on behalf of all employees in the public sector.

The MTA believes that all educational facilities must be safe from all environmental and chemical hazards, including lead from water pipe systems within schools, inadequate ventilation and climate control, particulate pollution, mold and sick-building syndrome.

The MTA urges that dangerous asbestos be removed immediately from the schools and that the Commonwealth provide funds for its removal and other related expenses.

The MTA also strongly supports the state’s school immunization requirements. These requirements exist to protect students, staff and members of the wider community from serious diseases that can be prevented by vaccines (75, 77, 79, 82, 84, 85, 88, 01, 03, 07, 19).

PROPOSED AMENDED RESOLUTION

**C-6 Healthy and Safe Schools**

The Massachusetts Teachers Association (MTA) believes that staff and students deserve to be in a healthy and safe learning environment. The MTA believes that measures should be taken to guarantee that physical conditions of buildings are maintained so as to conform to the highest possible standards for health and safety, in full compliance with all building codes and safety regulations of the state.

The MTA urges that school committees and boards of trustees must improve school mechanical ventilation systems to assure that school spaces’ air quality is sufficient to diminish as much as possible the risk of airborne infections from indoor pathogens from any source (viral, bacterial and molds), and bring them in line with best practices and current scientific recommendations. This would require mechanical ventilation systems (Heating, Ventilation and Air Conditioning, HVAC), which must be mechanically driven from Air Handling Units (AHU) that provide a supply of clean outside air. At least five Air Changes per Hour (5 ACH) must be achieved in each school space. The outside air could be complemented by recycled air filtered through at least MERV 13 rated filters to achieve the minimum 5 ACH. Appropriate exhaust flows out of each school space must be balanced with the supply air into the rooms. Portable HEPA Ventilation units could also be provided to complement and maximize air cleansing.

The MTA recommends that contract bargaining language require formation of Health and Safety Committees composed of school personnel, parents, and school committee members and that they have regularly scheduled meetings designated to improve the health and safety of the school environment.

The MTA further urges that school committees provide for safe usage, proper storage and transfer and disposal of all toxic and/or hazardous substances used in school buildings and on school grounds.

**C-7 School Facilities: Design, Construction and Function**

The Massachusetts Teachers Association (MTA) believes that school facilities must be conducive to teaching and learning. The physical environment must allow for a variety of needs, including the number of students, physical characteristics of students, changes in teaching methods, presentation of instruction, and an increased use of school facilities. The MTA also believes that all school facilities must be well constructed, safe, energy-efficient, aesthetically pleasing, accessible, functional and adaptable to persons with disabilities.

The MTA supports ecologically conservative facility designs including heating, ventilation and air conditioning systems.

The MTA believes that the community, parents/guardians and education employees should play an advisory role in designing these facilities.
The MTA also believes that stable and sufficient funding must be provided for the design, construction, maintenance and operation of the school facility.

These principles should apply equally to preK-12 schools and buildings used by public higher education institutions. (11, 21)

The MTA believes that the community, parents/guardians and education employees should play an advisory role in designing these facilities.

The MTA also believes that stable and sufficient funding must be provided for the design, construction, maintenance and operation of the school facility.

The MTA believes that one of the most effective means to prevent the risk of airborne infections to students and educators (viral, bacterial and molds) is a well-designed, mechanical ventilation system that is in line with best practices and current scientific recommendations. This would require a system that provides for at least 5 Air Changes per Hour (5 ACH) based on outside clean air. Well-tempered outdoor supply air should be designed-in for every school indoor space. Temperature and relative humidity extremes should be avoided – by design – in new schools while conforming with at least 5 ACH ventilation rates as a design criterion as described in MTA Resolution C-6 Healthy and Safe Schools.

These principles should apply equally to preK-12 schools and buildings used by public higher education institutions. (11, 21, 24)

Act on Proposed New Business Items WITH Budgetary Implications

New Business Item #17: Moved and seconded: The MTA and all its locals will negotiate a minimum wage of at least $40,000 per year for all educators, especially ESPs, in all current and upcoming contracts, as a step toward a living wage.

- We will join across locals and school districts to visibly stand in unity at rallies and actions.
- Before the end of the school year, we will organize joint regional “Day of Action” rallies and walkouts in support of this base wage/salary for all MTA members. We will also organize similar rallies and walkouts at the beginning of the school year and throughout the year.
- We will coordinate statewide joint actions, such as protests, walkouts, informational pickets, and strikes, acting as one union. No local membership should stand on its own when all education workers in Massachusetts deserve a living wage.

New Business Item #18: Moved and seconded: The MTA will initiate a strong campaign to win the public sector right to strike without restrictions.

- Our union will not support any legislation that includes a mandated waiting period before exercising a legal right to strike. Current legislation being considered in the Massachusetts Legislature mandates a 6 month waiting period before going on strike. If restrictions on the right to strike are codified in law, this will be used by management as a delaying tactic and a way to diffuse or suppress strike action. An example of this are the “cooling off periods” and other legal maneuvers used recently to suppress a potential strike by the railroad worker unions.
- Our union will help win the right to strike for public sector workers by uniting
statewide as MTA members across locals for joint mass rallies, protests, walkouts, and strikes, including actions by the end of the school year.

- Our union will reach out to other public sector union leaders and rank-and-file members to organize joint mass rallies, protests, walkouts, and strikes.
- Our union will discontinue any endorsements of and financial support for the Democratic or Republican Parties; both parties have made clear their opposition to public sector unions having the right to strike for better conditions.
- Our union will run and support labor candidates independent from any corporate party, including members of the MTA and other labor organizations, for public office to promote union rights, including legislation for the right to strike without restrictions.

Chair rules the motion Out of Order

Moved and seconded: Shall the decision of the Chair stand as the judgment of the Assembly?
Voted to approve the decision of the Chair as the judgment of the Assembly.

New Business Item #19:
Moved and seconded: We in the MTA should stand in solidarity with the 350,000 members of the International Brotherhood of Teamsters working at UPS who are currently in contract negotiations. UPS workers have made the company record profits – $14 billion this past year – yet many are paid low wages, only offered part-time positions, forced to do overtime, subject to extreme surveillance and harassment from management, made to drive in unsafe vehicles without air conditioning, and are having their positions contracted out.

We should condemn UPS for these anti-union policies that erode the living and working conditions of all workers. UPS Teamsters deserve better and we support them in their contract fight.

If UPS Teamsters go on strike, we will:
- Donate from our union funds to their strike fund.
- Organize our workplaces to refuse to send or receive UPS deliveries.
- Instruct our members to refuse to use UPS to send or receive personal packages.
- Educate our members about the UPS Teamsters contract fight and the need for solidarity with UPS workers.
- Mobilize our rank-and-file membership to join UPS Teamsters at rallies and picket lines until UPS workers win a quality contract.
- Take a lead in supporting the UPS Teamsters in their contract battle this year and publicly state our solidarity.

MTA Leadership Reports
Report of President, Max Page
President Page reported on the following:
- Reflection on his father fleeing Europe and the Nazis, settling in the United States and then serving in World War II.
- Four strike votes this year which are inspiring other locals.
- Organizing our members to demand the schools our communities deserve.
- Fair Share victory passed tax on millionaires.
- Charter school movement was slowed with No on 2 ballot question.
- Won the Fund Our Future campaign for PreK-12 public schools.
- Universal school meals, debt-free higher education, and better pay and investments in our buildings.
- MTA members are role models for the rest of the country.

Report of Vice President, Deb McCarthy
Vice President McCarthy reported on the following:
- High Stakes testing prevents us from being the educator that our students deserve.
- Education workers coupled with collective solidarity have the power to change the world, as seen at the start of the school year in Haverhill, Malden, Melrose, Medford, Southampton, and Brockton with many actions in the opening week of
schools.
- The Woburn community showed support by selling cookies for a hundred dollars to cover the strike fines.
- Weymouth, Braintree, Quincy, Wellfleet, Topsfield, Worcester, Dartmouth, and Amherst-Pelham have made it clear to those who are sitting across from the table from the education workers that they are inspired by the actions of Malden, Haverhill, Melrose, and Woburn.

Report of the Executive Director-Treasurer, Lisa Gallatin

Executive Director-Treasurer, Lisa Gallatin reported briefly on the following:
- We marked the 2018 Supreme Court Decision Janus vs. AFSME as a turning point aimed at union rights in this country, but this was only one of thousands of initiatives aimed at stripping workers’ and union rights.
- Massachusetts as a state and MTA as a union are not immune to these initiatives.
- Tolerance, truth and understanding are at the heart of our education system and love of learning, not testing, is at the heart of what we teach.
- We are growing more powerful and more popular as a union, the largest union in New England and part of the largest union in the nation, along with the labor movement in general.
- The members’ approval of a dues increase will allow us to invest and make the most of this era of union growth and popularity.

Executive Director-Treasurer, Lisa Gallatin then led the delegation in song, singing *Solidarity Forever*, with an added verse she wrote:

It is we who teach the children how to multiply and read
About history, art and music, civics and biology.
Love for learning is the test, and truth, not fiction sets us free
And the union makes us strong.

Solidarity forever, solidarity forever, solidarity forever, for the union makes us strong.

New Business Item #7: MTA Initiate: Legislative Priority- Management Fees on Pension Fund

*Moved* and seconded to adopt MTA to write a letter to Massachusetts State Auditor requesting they conduct an independent audit and analysis of the impact of management fees on our pension fund value over the last 10 years in order to ensure a dignified retirement for retired teachers. According to American Teacher Federation’s 2017 study, Mass PRIM our pension fund will save an additional $1.8 billion five years after adopting 0.9 and 9, $8 billion after 15 years, and $30 billion after 30 years, if not for the high-fees for unverified, self-report, and potential fictitious returns of Private Equity.
