

Grassroots Organizing Bootcamp

DATES & TIMES:

Sun., July 31 – 12 pm-5 pm

Mon., Aug. 1 & Tues., Aug. 2 – 10 am-6 pm

2022 is a pivotal year. It is time to make our voices heard. Join MTA's Grassroots Division for a course that will incorporate emotional intelligence and relational organizing to learn new concepts and strategies for educators looking to impact change at the local, state, and national levels. We will explore the inner workings of the Massachusetts State House to understand how "Beacon Hill" *really* works. We will provide tactics and strategies for building teams to be **ready** and **loud** when important elections happen. The course will be embedded with political know-how, thought-provoking ideas, and some out-of-the-box thinking around how to become a better leader. We have a line-up of political professionals as guest speakers and the course will be extremely interactive. All experience levels welcome!

Ideal for: Educators interested in being involved in ongoing public education campaigns, elections and organizing initiatives across Massachusetts and beyond.
