## CERTIFICATION AND REGISTRATION

According to the MTA Standing Rules, RULE 1: Certification and Registration, Section 2. Duties:

The Credentials and Ballot Committee shall be responsible for the supervision of the accreditation of delegates and alternates at meetings of the delegates and for the seating of delegates. The decisions of the Credentials and Ballot Committee shall be final unless overruled by the Meeting(s) of Delegates...

According to the MTA Bylaws, ARTICLE IX, DELEGATE MEETINGS, Section 5. Voting:

- A. Only official delegates shall be entitled to vote.
- B. Each delegate shall have one vote.
- C. Delegates shall vote in the district and region in which they are employed.
- D. Delegates for the Statewide Retired Electoral District shall vote in that district.

To proceed through onsite registration, delegates should be prepared to show a government-issued photo ID to the Credentials and Ballot member at registration. The delegate will then be provided with a name badge, unique delegate voter key-card, and color-coded badge holder (colors correspond to MTA's Electoral Regions, A through H, plus Retired). The key card provided must be inserted into the electronic handheld keypad device, to be picked up at the entrance to the business session.

Remote delegates are provided with registration credentials online, via email. The unique delegate link and login instructions are to be followed by those delegates participating remotely. Logging-in as such online will provide those delegates with access to voting as well as ability to participate in debate via the online speaking queue.

## IDENTIFICATION CREDENTIALS

Color-coded badge holders combined with your unique printed name badge are your identification as a delegate. Delegates will not be admitted into the meeting without a badge plus badge holder. Lanyards are available in the registration room and can be attached to your badge holder so that these credentials may be worn around your neck.

Delegates must wear proper badges at all times when in the convention center and in particular for admission to and within the business session. Please make sure your badge is visible when entering and assist the Sergeants at Arms staffing the doors by clearly showing your badge as you enter.

Badge holders are color-coded by electoral region. Each badge bears the letter of your region and the number of your electoral district. Only delegates and officials will be permitted on the floor while the Annual Meeting is in session.

**LATE REGISTRATION CUTOFF**

For 2022, May 13 was the cutoff date for local presidents to report elected delegates and alternates to MTA. After that date, delegate and alternate names are not accepted, and new delegate credentials cannot be provided.

**LATE DELEGATE SEATING**

In-person delegates who arrive to register after the official close of Delegate Registration on Saturday must go to the Sergeant-at-Arms table located at the entrance to the Ballroom. Such delegates must obtain approval of the seated delegation in order to proceed with registration.

**NON-DELEGATE REGISTRATION AND SEATING**

Non-delegate seating is available in both the Ballroom and the socially-distanced Hall D for members who are not delegates, visitors, MTA staff and the press. Non-delegates are required to register, wear badges and sit in the area reserved for their use in the Ballroom or in the open seating area in Hall D.

**ALTERNATE DELEGATES**

Local presidents were advised of a deadline to report any elected Alternates to MTA by May 13. Local presidents may instruct MTA Credentials and Ballot to seat an elected and reported alternate to replace a delegate unable to attend. To make such a change, the alternate must have been reported to MTA by May 13. The local president may communicate this change either in-person at the Registration desk in Rooms 304-306 during registration hours, or via email, [MTAGovernance@massteacher.org](mailto:MTAGovernance@massteacher.org)

**HELP AND ISSUES RESOLUTION**

The Credentials and Ballot Committee provides a service desk in Rooms 304-306 for those delegates and local presidents with questions or problems relating to registration and credentials. This would be the location to go for help, for example for delegates who have lost their credentials and need a replacement.

**REPLACEMENT OF LOST DELEGATE REGISTRATION MATERIALS**

Please remember to have your badge, badge holder, and key card with you at all times. In particular, remember to take your key card out of the keypad device, keep it with your badge and holder and remember to bring all material with you when returning on Saturday morning. If you have lost your delegate materials, they may be replaced once.

Please follow these instructions to replace lost delegate materials:

- The registered delegate must apply in person to the chair (or her/his designee) of the Credentials and Ballot Committee at the Registration service desk in Rooms 304–306.
- The Credentials and Ballot Committee must be able to verify that the member is a duly authorized registered delegate. The registered delegate must present photo identification.
- The registered delegate must fill in and sign the required form in the presence of the chair (or her/his designee) of the Credentials and Ballot Committee.
- Replacements will be made only during official registration hours of the Credentials and Ballot Committee.

Please allow time for new materials to be produced, including production of the electronic key card, which is necessary for voting. If lost delegate materials are found, they must be turned over to the chair (or her/his designee) of the Credentials and Ballot Committee at the registration service desk.
