

MTA's 22nd Annual New Member Program

GET TO KNOW YOUR UNION!

**ARE YOU AN EDUCATOR IN YOUR FIRST FIVE YEARS OF PRACTICE?
ARE YOU NEW TO THE MTA?**

Take your first steps in becoming more involved in your union, school, profession and community! MTA's New Member Program, designed for educators in their first five years of practice, gives you a chance to find out more about your membership, discover how to get the most out of it and learn about the policies and laws that govern public education. Join us for several days of informative workshops, networking and socializing. MTA staff and leadership will be on hand throughout the program to answer questions. The New Member Program is developed and presented by the New Member Committee, a group of educators from across Massachusetts. **The program is offered at no cost to MTA members.***
