EDUCATOR LICENSURE - STAGES

PRELIMINARY LICENSE: For educators who have not yet met the requirements of an approved educator preparation program. Valid for five years of employment, may not be renewed.

TEMPORARY LICENSE: Available to educators who hold an out-of-state license and have three years of experience. May teach for one year only. Employment under a Temporary License counts toward PTEs.

INITIAL LICENSE: For educators who have completed an approved preparation program. Valid for five years of employment. May be extended one time for five additional years.

PROFESSIONAL LICENSE: Teachers are eligible for a Professional License only after teaching under an Initial License for at least three years. Additional requirements apply. Must be renewed every five calendar years.

ENDORSEMENT: A supplementary credential indicating satisfactory knowledge and skills in a specific area.

PROFESSIONAL LICENSE RENEWAL

DOCUMENTATION of 150 PDPs for the Primary License and 30 PDPs in the content area for each additional license.

Completions INDIVIDUAL PROFESSIONAL DEVELOPMENT PLAN (PDP) that has been APPROVED and signed by a supervisor within three months of Professional License issue or renewal date; REVIEWED every two years; SIGNED for completion prior to renewal application.

ADVANCED ACADEMIC STUDY: Upper-level undergraduate course where content is new to the educator, graduate course or DESE-approved course. Also known as "super PDPs" and counts 1.5 times clock hours.

AUDIT: Any license is eligible for an audit during the active validity period of the license. The educator must produce all documents related to the license including but not limited to the signed IPDP and documentation of PDPs.

CONTENT AREA AND SUBJECT MATTER KNOWLEDGE AND SKILLS: Academic or vocational discipline, skills or subject matter of the license.

DISTRICT PROFESSIONAL DEVELOPMENT PLAN: Delineates district goals; sets forth a professional development budget; includes district's professional development offerings.

PDP: The educator's five-year plan outlining professional goals and activities for purposes of license renewal.

INAFFECTIVE LICENSE: A Professional License that has not been renewed in the past five years. To reestablish an Active Professional License, the educator needs to complete renewal and document the same distribution of PDPs as required to renew an active license.

INVALID LICENSE: A license that has been in inactive status for five years or longer. To reestablish an Active Professional License an educator must apply for renewal and document 150 PDPs in the content area of the license.

NO-COST OPTION: Massachusetts law requires that educators have a no-cost option to renew a license. Districts are responsible for providing sufficient professional development for teachers.

OBSERVABLE DEMONSTRATION OF LEARNING: Evidence that PDPs have resulted in the educator's increase in knowledge or skills. Evidence may include assessments, course grades, curriculum units, written papers, projects or portfolios.

PEDAGOGY: Teaching skills and instructional knowledge.

MULTIPLE PROFESSIONAL LICENSES:

Primary License: Designed by the educator at the time of renewal, usually the one under which the educator is working.

Additional Licenses: Second or more active licenses the educator is not working under.

PDP: Unit measuring professional development activities:

1 clock hour = 1 PDP
1 semester hour = 15 PDPs
1 CEU = 10 PDPs
Advanced Academic Study = 1.5 PDPs
Super PDPs: See Advanced Academic Study

TOPIC: A single or tightly integrated area of study within an academic discipline or related to a particular method of teaching or administration.

GENERAL LICENSURE TERMS

APPROVED PROGRAM: An educator preparation program approved by DESE for a specific license field and level.

CORE ACADEMIC TEACHER: For the purposes of SEI, early childhood and elementary teachers, teachers of students with moderate and severe disabilities as well as teachers of English, reading or language arts, mathematics, science and government, economics, and history (603 CMR 7.02).

ELAR: Online portal for educator licensing. www.mass.gov.edu/gateway

FIELD: Subject content or position for a license.

INDUCTION AND MENTORING: A formal program for new teachers provided by the district. New teachers are required to participate in an induction program in the first year of employment and receive at least 50 hours of mentoring in the second year.

LEVEL: Grade span approved for a license.

MTEL: Massachusetts Tests for Educator Licensure.

OCCUPATIONAL LICENCE OR CERTIFICATION: Professional credential required for certain licenses. Example: Master Plumber License, Registered Nurse, Educational Psychologist.

SEI: Shattered English Immersion is the delivery of academic content and skills in English using materials and instructional strategies that make the content comprehensible to ELLs. SEI is one part of a language acquisition program for ELLs.

PROFESSIONAL TEACHER STATUS (PTS): Awarded to licensed educators who have completed three years in a district in the role of the license. Educators should check their local collective bargaining agreement for any additional local requirements for PTSs, including but not limited to, performance on evaluations and completion of specific coursework or trainings.

VAWER: A district wishing to assign an educator who does not hold the appropriate license must be DESE for a one-year waiver after the educator has applied for the appropriate license. Employment under a waiver does not count toward a Professional license or toward PTSs.

### Professional License - Renewal

1. Log in to ELAR account and review current Professional licenses. Determine Primary license.
2. Review school and district goals and identify goals that are appropriate to your Primary License.
3. Review district professional development opportunities – including professional development days, curriculum development & trainings.
4. Identify any other professional development activities (seminars, conferences, courses, etc.) that will increase your professional knowledge and improve student learning. Examples of professional development options can be found at [www.doe.mass.edu/pd/01guideline/standard.html](http://www.doe.mass.edu/pd/01guideline/standard.html)
5. The educator and supervisor may determine that the same professional learning goals and/or activities may be used to satisfy both 603 CMR 44.00 (educator license renewal) and 603 CMR 35.00 (educator evaluation plan).

### Individual Professional Development Plan

Educators should identify at least one professional development goal and activity that is specific to the license but is flexible enough to allow educators to modify their activities as needed. Proposed activities in the plan should be designed to improve student learning and professional practice. At least 80 percent of the PDPs from the activities must be consistent with and aligned to school, district and/or educator evaluation plan goals (including Professional Learning Goals or Student Learning Goals).
